Notes:

1. Chapter 2020-27, L.O.F., amended ss. 129.03 and 166.241, F.S., to require county and municipal budget officers to report the government's annual expenditures for the financing, acquisition, construction, reconstruction, or rehabilitation of housing that is affordable, as that term is defined in s. 420.0004, F.S. The reported expenditures must indicate the source of such funds as federal, state, local, or other, as applicable.

2. Dixie County did not submit financial data to EDR during the 2026 reporting cycle.

3. The Reported Expenditures total of $1,308,636,673 does not match the Calculated Expenditures by Funding Source total of $1,307,235,797 since two counties (Nassau and Volusia) did not report their affordable housing expenditures' Funding Sources by Percentage. Therefore, the Calculated Expenditures by Funding Source could not be determined.

4. Although the following county governments (i.e., Martin, Okaloosa, Suwannee, Walton, and Washington) did submit financial data to EDR during the 2026 reporting cycle, they did not report any budgeted affordable housing expenditures.

Notes:

1. Chapter 2020-27, L.O.F., amended ss. 129.03 and 166.241, F.S., to require county and municipal budget officers to report the government's annual expenditures for the financing, acquisition, construction, reconstruction, or rehabilitation of housing that is affordable, as that term is defined in s. 420.0004, F.S. The reported expenditures must indicate the source of such funds as federal, state, local, or other, as applicable.

2. The Reported Expenditures total of $202,216,687 does not match the Calculated Expenditures by Funding Source total of $198,103,477 since several municipalities (i.e., Belle Glade, Leesburg, Margate, and Port St. Joe) did not report their affordable housing expenditures' Funding Sources by Percentage. Therefore, the Calculated Expenditures by Funding Source could not be determined.

3. Forty-two municipalities did not submit financial data for the 2026 reporting cycle to EDR. A list of non-reporting county and municipal governments can be found at: http://edr.state.fl.us/Content/local-government/local-govt-reporting/index.cfm
