HB 311 – Threats

This bill amends s. 790.162, F.S., adding (in bold):

“(1) It is unlawful for any person to threaten:
(a) The use of a firearm or any weapon;
(b) To throw, project, place, or discharge any destructive device,

with intent to do bodily harm to any person or with intent to do damage to any property of any person.”

Currently, “it is unlawful for any person to threaten to throw, project, place, or discharge any destructive device with such intent.” This act is a Level 5, 2nd degree felony. This new language would expand the pool of eligible offenders by including those threatening to use a firearm or other weapon not included in the current language. It should be noted that s. 790.07(2), F.S. includes an unranked, 2nd degree felony (Level 4 by default) for “whoever, while committing or attempting to commit any felony, displays, uses, threatens, or attempts to use any firearm or carries a concealed firearm.”

Per DOC, in FY 17-18, there were 13 (adj.) offenders sentenced under s. 790.162, F.S., with 2 (adj.) offenders sentenced to prison (mean sentence length=65.0 m, incarceration rate: 15.4% adj-16.7% unadj). There were 30 (adj.) offenders sentenced under s. 790.07(2), F.S., with 8 (adj.) offenders sentenced to prison (mean sentence length=28.7 m, incarceration rate: 26.7% adj-25.0% unadj).

Given the potential overlap between the newly added language and the language under s. 790.07(2), F.S., which has a higher incarceration rate and a lower mean sentence length, in addition to the unknown pool of newly eligible offenders, the impact of this bill cannot be quantified. However, due to the small number of offenders currently sentenced to prison under both statutes, this new language would not be expected to have a significant impact on prison beds.
