NOTE: On April 15, 2005, the Criminal Justice Impact Conference considered HB 1877 and assigned an impact of "insignificant". Subsequently, the Senate took up and amended HB 1877. The amended bill upgraded existing offenses related to the registration of sex offenders and predators and created several new related offenses. In addition, amended HB 1877 included a provision for a 25-year minimum mandatory prison sentence for offenders convicted of lewd or lascivious molestation when the victim is less than twelve and the offender is 18 years of age or older. The impact shown here combines the impact for these two provisions in HB 1877, as passed.
