Note:  
Effective July 1, 2007, certain of the above trust funds have their distributions capped as indicated.

Effective July 1, 2008, when total collections increase from the prior year, distributions of capped funds are increased by 10% of the growth of total collections from the prior fiscal year, multiplied by the fund's applicable statutory percentage, except for the 201.15(3) cap, which receives no adjustment.

On November 4 2014, Amendment 1 to the Florida Constitution passed which will affect the current distribution of Documentary Stamp collections among various trust funds and General Revenue. Because future legislative action is needed to determine the amendment's specific impact by fund, this table uses existing statutory framework and has not been adjusted to reflect the new requirements of Amendment 1.
