

PECO
Revenue Estimating Conference
Executive Summary

The PECO program provides funding for educational facilities construction and fixed capital outlay needs for school districts, the Florida College System, the State University System, and other public education programs. The Revenue Estimating Conference met to adopt revised estimates on August 8, 2014.

During the 2014 Session, the Legislature passed two bills related to PECO and the budget also transferred funds from other sources to the PECO Trust Fund. House Bill 5101 requires DOE to make monthly deposits into a Sinking Fund sub-account within the PECO Trust Fund to ensure sufficient funds are set aside for the payment of debt service in advance of the payment due dates. This policy resulted in a one-time negative impact of \$150.1 million to the PECO Trust Fund. House Bill 5601 reduces the sales tax rate for electrical power by 2.65% and increases the gross receipts tax rate on electricity by 2.6%. This shift is estimated to result in additional PECO funds ranging from \$152.4 to \$184.1 million for fiscal years 2014-15 through 2018-19. The 2014-15 General Appropriations Act (House Bill 5001) transferred \$169.85 million from General Revenue and \$136.23 million from the Educational Enhancement Trust Fund (EETF) to the PECO Trust Fund. The Post-Session PECO Estimate incorporated all actions taken during the 2014 Session, including line item vetoes in the amount of \$2.45 million. The August PECO estimates were further updated to include actual revenues and expenditures through June 2014, the new Gross Receipts Tax forecast, and expected project disbursements.

The tables below show the estimated amount available for appropriation to the PECO program under two different scenarios. The first scenario shows maximum cash appropriations only – with no bonding and the second scenario represents maximum bonding capacity.

	Post-Session REC <u>No Bonding</u>	August REC <u>No Bonding</u>	<u>difference</u>
FY14-15 Appropriation H5001	537.1	537.1	-
FY15-16 Cash Available	337.2	351.0	13.8

¹ Additional cash distributions from the Documentary Stamp Tax to the trust fund and subsequent disbursements as established in SB360 (2005) are not included in these figures.

² The FY2012-13 General Appropriations Act (HB5001) transferred \$120 million from General Revenue and \$130 million from the Educational Enhancement Trust Fund (EETF) to the PECO Trust Fund. The cash appropriation shown here is less than the amount transferred because there was a projected deficit in the PECO Trust Fund prior to the appropriation of additional funds.

³ The FY2013-14 General Appropriations Act (SB1500) transferred \$344.77 million from General Revenue to the PECO Trust Fund. The cash appropriation shown here is net of \$50.75 million in vetoes.

⁴ The FY2014-15 General Appropriations Act (HB5001), transferred \$169.85 million from General Revenue and \$136.23 million from EETF to the PECO Trust Fund. These amounts are included in the cash appropriation, the remainder of which comes from Gross Receipts revenues.
