(1) HB201/SB356 has a current fiscal year (FY 2021-22) cash impact. The total impact at the state rate is estimated to be (\$5m), and the local option rate estimated to be (\$0.7m). The General Revenue impact is (\$4.4m), while a negative insignificant amount impacts State Trust. There is a (\$1.3m) Total Local Impact, (\$0.1) to Revenue Sharing, (\$0.4) to Local Half Cent and (\$0.7m) for Local Option.

(2) The impact of the implementing bill to the constitutional amendment is zero/negative indeterminate due to the requirement for a statewide referendum. If the constitutional amendment does not pass, the impact is zero. If approved, the Conference expects the low estimate would best account for slowing growth of home prices. The impact affects non-school ad valorem only.
