Notes:

- 1) As the result of statewide equalization, all counties levy the tax on diesel fuel at the \$0.01 rate.
- 2) Dollar figures are provided for each county in the "Estimated Tax Receipts from Motor Fuel" even though all counties do not currently levy the tax on motor fuel. The estimates for non-levying counties are provided for informational purposes only.
- 3) The dollar figures in the "Total Estimated Tax Receipts" represent the estimated distributions to counties based on their respective tax rates on motor and diesel fuels.
