Source: Florida Department of Corrections, Bureau of Research and Data Analysis

NA: Time-served data not calculated for offense categories with less than 50 releases.

¹ Prior to FY 95-96 and since FY 96-97, burglary of a dwelling was categorized as a property crime. In FY 95-96, it was listed under "Violent Personal Offenses" and was categorized as a violent crime. DOC's Annual Release Report for FY 99-00 notes that offenses included in the violent grouping were updated in September 1997. For these two reasons, time served and percent of sentence served for the four summary offense types may not be comparable.
