FOOTNOTES

(A) The amount of \$1,072.4 million was transferred out of the Budget Stabilization Fund to the General Revenue Fund in FY 2008-09. Section 215.32, F.S., stipulates that repayments to the fund are appropriated in five equal installments beginning in the third year following the year in which the expenditure was made, unless otherwise established by law. Per the aforementioned statute, the repayments were appropriated and transferred to the Budget Stabilization Fund in FY 2011-12, FY 2012-13, and FY 2013-14. The FY 2014-15 repayment is authorized in Section 95 of HB 5001. The final repayment in the amount of \$214.5 million will be required for FY 2015-16. The cash balance in the Budget Stabilization Fund (not shown here) at the time of this statement was \$924.7 million and includes both the FY 2013-14 repayment as well as the final \$1.5 million repayment of hurricane-related budget amendments transferring funds to the Casualty Insurance Risk Management TF (EOG #2004-0483 for \$11.0 million and EOG #2005-0205 for \$11.8 million). This balance does not include the transfer appropriated for FY 2014-15, which will bring the total to \$1,139.2 million in FY 2014-15. In addition, the constitutional transfers required to bring the Budget Stabilization Fund up to five percent of net revenue collections for the last completed fiscal year will resume in FY 2016-17. Based on the December 2014 forecast, transfers of \$20.6 million in FY 2016-17, \$54.6 million in FY 2017-18, \$71.1 million in FY 2018-19, and \$67.9 million in FY 2019-20 would be required.

(B) This financial statement is based on current law as it is currently administered. It does not include the potential effect of any legal actions which might affect revenues or appropriations. The Attorney General periodically issues an update on any such litigation. In addition, it does not recognize any projected deficits or surpluses in any spending programs unless specifically stated.

(C) The Total Funds Available do not contain the cash impact of pending refund requests related to the settlement reached in re: AT&T Mobility Wireless Data 265 Services Sales Litigation, 270 F.R.D. 330, (Aug. 11, 2010). These refunds were previously estimated to total as much as \$158.2 million. If approved by the Department of Revenue, the refunds will affect the Gross Receipts Tax, the State Communications Services Tax, and the Local Communications Services Tax; however, the timing and final amounts of the refund payments are currently unknown and could vary substantially from previous estimates.

(D) The 2012 General Appropriations Act transferred \$350.0 million from the Lawton Chiles Endowment Fund to the General Revenue Fund. House Bill 5301 (Chapter 2012-33, Laws of Florida) requires that an amount equal to the amount of Medical-Hospital Fees collected above the January 2012 revenue estimate be transferred back to the Endowment in the following fiscal years until repayment is complete. The actual revenues collected in FY 2013-14 were lower than the January 2012 estimate; thus, no transfer is required for FY 2014-15. The estimates of repayments for the term of this outlook statement are zero for FY 2015-16, FY 2016-17, FY 2017-18, FY 2018-19, and FY 2019-20.
