The cash balance in the Budget Stabilization Fund (not shown here) at the end of FY 2016-17 was $1,384.4 million. The revenue collections for FY 2016-17 do not include payments received by the state that are related to the continuation of banked card games. These payments were accounted for separately (effectively held in reserve) and totaled $166.5 million in FY 2016-17. The first payment of $400 million from the BP Settlement Agreement was received on July 1, 2016. Pursuant to Chapter 2017-63, L.O.F., 75 percent of all payments to the state must be transferred immediately from the General Revenue Fund to the Triumph Gulf Coast Trust Fund for subsequent transfer to a trust account held by Triumph Gulf Coast, Inc. The revenue numbers shown here are net of this transfer.

Based on the Settlement Agreement and Stipulation entered into between the Seminole Tribe of Florida and the State of Florida in July 2017, the payments associated with banked card games that the state has held in reserve ($233.8 million) were released in August 2017, and no future payments will be placed in reserve. The total reserve release shown is net of the $7.0 million local distribution. Amounts are displayed to one decimal place but calculated at the full dollar amount, so they may not add to the total.
