FOOTNOTES

- (A) Any property remitted to the state from the Federal Deposit Insurance Corporation (FDIC) that is not claimed by owners during a ten year period following the remittance of that property must be returned to the FDIC. The state received approximately \$29 million from the FDIC in the 2009-10 fiscal year. The Outlook contemplates a return of \$11.6 million of unclaimed funds to the FDIC in FY 2019-20.
- (B) The nonrecurring portion of the FY 2016-17 Estimated Transfers from Unclaimed Property TF is associated with FY 2015-16 funds in excess of the statutorily authorized maximum amount that can be retained by the Department of Financial Services. The department adjusted the reserve level in July 2016, transferring \$13.8 million of the \$18.9 million that was due to the State School Trust Fund in FY 2015-16 and that the Conference assumes will be transferred in FY 2016-17.
