FOOTNOTES

- (A) This financial outlook statement does not include the transfer from the Lawton Chiles Endowment Fund to the Biomedical Research Trust Fund under section 215.5601, Florida Statutes, nor does it include the appropriation from the trust fund. The transfer is projected to be \$0.6 million for FY 2018-19 through FY 2021-22 and \$0.7 million for FY 2022-23 and FY 2023-24.
- (B) The funds available figures are not adjusted for any financial obligation related to the constitutional funding requirement for tobacco education and prevention. The amount of the financial obligation is estimated to be \$72.1 million for FY 2019-20, \$73.5 million for FY 2020-21, \$75.1 million for FY 2021-22; \$76.8 million for FY 2022-23; and \$78.6 million for FY 2023-24.
- (C) On January 18, 2017, the State of Florida filed a Motion to Join ITG Brands, LLC as a Defendant and to enforce the Settlement Agreement in State of Florida, et. al., v. Am. Tobacco Co., R.J. Reynolds Tobacco Co., et. al., No. 95-1466 AH (Fla. 15th Cir. Ct.). On August 18, 2018, the Circuit Court entered a final judgment specifying the principal sum and interest due from R.J. Reynolds to the State of Florida for the period June 12, 2015, through April 30, 3018. This judgment was based on the court's rulings issued December 27, 2017, and May 24, 2018, collectively known as the "Liability Orders." The final judgment also provided guidance on how any future unpaid liability to the State should be calculated. While there is agreement as to the methodology and number, R.J. Reynolds has appealed the final decision regarding its liability. In response, the Conference has reversed its prior treatment of approximating the unpaid liability, and instead has projected continued unpaid liability based on the calculation adopted in the final judgment and R.J. Reynolds' subsequent actions. Since the Circuit Court has found that R.J. Reynolds should continue to make all payments under the tobacco settlement agreement as if there had been no transfer of brands to ITG, the Conference assumes that the State will ultimately prevail. While identified, no award has been incorporated into the forecast because the timing is unknown; however, the Conference expects the State will be fully compensated for its unpaid liability.
- (D) It is assumed the deficit in FY 2018-19 will be resolved prior to the end of the fiscal year.
