The Honorable Jimmy Patronis
Chief Financial Officer
Plaza Level 11, The Capitol
Tallahassee, Florida 32399

Dear CFO Patronis,

Section 409.915(8), F.S., requires the Chief Financial Officer to transfer a portion of medical hospital fees from the General Revenue Fund to the Lawton Chiles Endowment Fund beginning in the 2013-14 fiscal year. Specifically, the state requires the Office of Economic and Demographic Research to certify the amount to be transferred to the Chief Financial Officer by July 20 of each year.

The statute provides for the calculation of the transfer amount as follows:

. . . an amount equal to the amounts transferred to the General Revenue Fund in the previous fiscal year . . . reduced by the amount of refunds paid . . . which are in excess of the official estimate for medical hospital fees for such previous fiscal year adopted by the Revenue Estimating Conference on January 12, 2012, as reflected in the conference's workpapers.

The total amount of medical hospital fees transferred to the General Revenue Fund in FY 2019-20 was \$301.7 million, compared to the January 12, 2012, estimate for FY 2019-20 of \$370.8 million.

Consequently, no transfer to the Lawton Chiles Endowment Fund is required for FY 2020-21. The attached projections for future years are based on the January 2020 Revenue Estimating Conference.

If you have any questions, please contact me.

Sincerely,

A handwritten signature in cursive script that reads "Amy J. Baker".
