FISCAL ANALYSIS IN BRIEF

For Fiscal Year 2019-20

The Fiscal Analysis in Brief is an annual report prepared by the Florida Legislature to summarize fiscal and budgetary information affecting the 2019-20 fiscal year.

The document contains graphical depictions and detailed listings of appropriations, fund sources, nonrecurring issues, vetoed items, financial outlooks, and legislation affecting revenues.

It also includes the Truth in Bonding Statement used to support the General Appropriations Act. The document reflects appropriated funds only and does not include local revenue for educational entities such as local property tax revenues and student fees.

Various sources were used to prepare this document. Among the most important were data from the Legislative Appropriations System/Planning and Budgeting Subsystem (LAS/PBS), multiple consensus estimating conferences, the General Appropriations Act and other fiscal-related legislation, the Governor's Veto Message, and explanatory information used during the appropriations process.

- (A) The cash balance in the Budget Stabilization Fund (not shown here) at the time of this Outlook was \$1,483.0 million and included the FY 2018-19 transfer of \$66.5 million. The required balance for FY 2019-20 is \$1,574.2 million, requiring a transfer of \$91.2 million. Based on the March 14, 2019 forecast, which does not include the 2019 Measures Affecting Revenue, transfers of \$72.5 million in FY 2020-21, \$30.0 million in FY 2021-22, \$71.5 million in FY 2022-23, and \$62.8 million in FY 2023-24 will be required.
- (B) This financial statement is based on current law as it is currently administered. It does not include the potential effect of any legal actions which might affect revenues or appropriations. The Attorney General periodically issues an update on any such litigation. In addition, it does not recognize any projected deficits or surpluses in any spending programs unless specifically stated.
- (C) The 2012 General Appropriations Act transferred \$350.0 million from the Lawton Chiles Endowment Fund to the General Revenue Fund. House Bill 5301 (Chapter 2012-33, Laws of Florida) requires that an amount equal to the amount of Medical-Hospital Fees collected above the January 2012 revenue estimate be transferred back to the Endowment in the following fiscal years until repayment is complete. The actual revenues collected in FY 2017-18 were lower than the January 2012 estimate; thus, no transfer is required for FY 2018-19. The estimates of repayments for the term of this outlook statement are zero for FY 2019-20, and FY 2020-21. The final repayment of \$304.7 million (not shown on this Outlook) will be due in FY 2021-22, in accordance with section 409.915(8), F.S.
- (D) Payments are associated with the settlement reached in In re: Oil Spill by the Oil Rig "Deepwater Horizon" in the Gulf of Mexico, MDL No. 2179 (April 20, 2010). The payments are in consideration of the full and complete settlement and release of claims by the state for various damages. It provides a total payment to the State of Florida of \$2.0 billion over the period FY 2016-17 through FY 2032-33. The first payment of \$400 million was received on July 1, 2016. Annual payments of \$106.7 million will begin in FY 2018-19. Pursuant to Chapter 2017-63, L.O.F., 75 percent of all payments to the state must be transferred immediately from the General Revenue Fund to the Triumph Gulf Coast Trust Fund for subsequent transfer to a trust account held by Triumph Gulf Coast, Inc. The revenue numbers shown here are net of this transfer.

The amount of the financial obligation is estimated to be \$73.5 million for FY 2020-21, \$75.1 million for FY 2021-22; \$76.8 million for FY 2022-23; and \$78.6 million for FY 2023-24.
- (C) On January 18, 2017, the State of Florida filed a Motion to Join ITG Brands, LLC as a Defendant and to enforce the Settlement Agreement in State of Florida, et. al., v. Am. Tobacco Co., R.J. Reynolds Tobacco Co., et. al., No. 95-1466 AH (Fla. 15th Cir. Ct.). On August 18, 2018, the Circuit Court entered a final judgment specifying the principal sum and interest due from R.J. Reynolds to the State of Florida for the period June 12, 2015, through April 30, 3018. This judgment was based on the court's rulings issued December 27, 2017, and May 24, 2018, collectively known as the "Liability Orders." The final judgment also provided guidance on how any future unpaid liability to the State should be calculated. While there is agreement as to the methodology and number, R.J. Reynolds has appealed the final decision regarding its liability. In response, the Conference has reversed its prior treatment of approximating the unpaid liability, and instead has projected continued unpaid liability based on the calculation adopted in the final judgment and R.J. Reynolds' subsequent actions. Since the Circuit Court has found that R.J. Reynolds should continue to make all payments under the tobacco settlement agreement as if there had been no transfer of brands to ITG, the Conference assumes that the State will ultimately prevail. While identified, no award has been incorporated into the forecast because the timing is unknown; however, the Conference expects the State will be fully compensated for its unpaid liability.
- (D) Section 93 of the 2019-20 General Appropriations Act provides legislative approval for Budget Amendment #398, which places \$2.6 million of the Tobacco Settlement Trust Fund appropriation into unbudgeted reserve.

⁽A) Any property remitted to the state from the Federal Deposit Insurance Corporation (FDIC) that is not claimed by owners during a ten year period following the remittance of that property must be returned to the FDIC. The state received approximately \$29 million from the FDIC in the 2009-10 fiscal year. The Outlook contemplates a return of \$8.9 million of unclaimed funds to the FDIC in FY 2019-20.

⁽B) It is assumed the projected deficit in FY 2019-20 will be resolved by the end of the fiscal year.

(1) - The Revenue Estimating Conference has identified that as much as \$340 million of Corporate Income Tax receipts on a recurring basis is attributable to the Federal Tax Cuts and Jobs Act.

Provisions relating to GILTI represents a substantial share of that amount. The exclusion of GILTI as a result of this bill will likely cause downward revisions to the future CIT forecasts that support the General Revenue Fund. In addition, the ability for the GILTI decoupling to apply retroactively produces a multi-year impact in FY 2019-20 from those prior year reversals.

Finally, the tax rate cut mechanism introduces additional uncertainty regarding the net effect of the bill. The Conference adopted a negative indeterminate impact.
