

HB 151 – Disclosure of sexually explicit images (Identical SB 538)

This bill creates s. 847.0136, F.S. which makes it an **unranked, 3rd degree felony** to intentionally and knowingly disclose a sexually explicit image of an identifiable person or that contains descriptive information in a form that conveys personal identification information of the person to a social networking service or a website or other electronic medium with the intent to harass the person depicted if the person depicted did not consent to the disclosure. If individual is 18 or older at time of violation and victim was under 16 years of age at time image was created, offense is an **unranked, 2nd degree felony**.

In FY 13-14, incarceration rate for unranked, 3rd degree felony was 9.7% and for unranked, 2nd degree felony was 28.6%.
