

Revenue Estimating Conference for Tobacco Settlement Payments
January 13, 2016
Executive Summary

Tobacco settlement payments accrue to the state from a legal settlement agreement made on August 25, 1997 in response to a lawsuit between the State of Florida and several major tobacco companies. An annual payment is due by December 31 of each year, and a profit adjustment payment is due following the end of the participating companies' fiscal year. Both payments continue in perpetuity.

The Revenue Estimating Conference met on January 13, 2016 to adopt a forecast of settlement payments for fiscal years 2015-16 through 2032-33. An anomaly was noted in the FY 2015-16 calculation of the *Florida Volume Share of the U.S. Volume* that was carried throughout the forecast period, causing a reduction in future expected payments. After taking account of all other changes (most of which exerted upward pressure), the overall forecast for settlement payments was reduced by \$4.6 million in Fiscal Year 2015-16, by \$2.1 million in Fiscal Year 2016-17 and by \$0.8 to \$1.0 million each year thereafter.

The table below shows the new projected amounts of settlement payments to the State of Florida and the change from the previous estimate.
