THE FLORIDA LEGISLATURE

**OFFICE OF ECONOMIC AND DEMOGRAPHIC RESEARCH**

February 3, 2010

To: City Official

In preparation for the 2010 legislative session, the Legislature's Office of Economic and Demographic Research is collecting data on the use of cameras for the enforcement of red light violations throughout the state. These data will be used to assist with analyzing and developing revenue impact analyses of any proposed legislation.

In order to prepare the best possible estimate of the impacts of proposed legislation on state and local revenues, it is important that the Legislature use reliable data. As a local government official with first-hand knowledge of and access to this data, you are a very important part of this process. Please take a few minutes to complete the attached survey and return it to us by the close of business Friday, February 19, 2010.

If there is not enough room for your responses, please identify the question and respond on additional page(s). Please return it via fax to: 850.922.6436 or via email to: burnside.skip@leg.state.fl.us. If you have any questions please contact us at: 850.487.1402.

Thank you for completing the survey.

Sincerely,

A handwritten signature in cursive script that reads "Amy J. Baker".
