

## **SB 492 – Contracting**

This bill amends s. 489.127, F.S., adding that a person must be sentenced to either a fifteen day jail sentence or twelve months of probation under the current 1<sup>st</sup> degree misdemeanor for unlawful actions related to contracting. Given that this is a misdemeanor, these changes to the language would not have an impact on the prison population.

**CONFERENCE ADOPTED ESTIMATE: No Impact**
