Monthly KidCare Enrollment March 2024 through February 2025

(1) Consistent with previous hurricanes, the Florida Healthy Kids Corporation Board of Directors approved Corporate private funds to provide premium credits for November coverage for all KidCare CHIP and Full Pay participants residing in one of the 52 counties plus the Miccosukee Indian Reservation declared by FEMA as eligible for individual assistance due to Hurricanes Helene and/or Milton. Premium credits were intended to provide financial relief for families to ensure participants' health insurance coverage was continuously protected. However, the initiative resulted in unintended enrollments – an issue that was exacerbated by the vast number of counties within FEMA's declaration.

(2) Month of enrollment is not complete and is based on preliminary TPA reporting for Medikids.
