SOCIAL SERVICES
ESTIMATING CONFERENCE
OF
February 27, 2025
Revised Per Conference

NOTES:--No adjustments have been included in the forecast to reduce the DSH funding allocated to Florida because it is unknown how the Legislature will respond to the loss of these federal funds. Florida has also implemented other federal matching programs that may offset DSH losses, including the Directed Payment Program (DPP) and the Indirect Medical Education (IME) Program. Under current law, the Medicaid DSH reductions are scheduled to occur over three years--from Federal Fiscal Year 2026 through Federal Fiscal Year 2028--with the start date currently scheduled for October 1, 2025. The aggregate reductions to the Medicaid DSH allotments nationwide equal \$8.0 billion for each 12-month period, of which Florida's share would be \$118.6 million.
