

Revenue Estimating Conference

Pari-Mutuel Revenues

Executive Summary

February 18, 2025

The Revenue Estimating Conference reviewed Pari-Mutuel revenues on February 18, 2025.

Currently, the largest component from this collection of taxes, licenses, and fees is Cardroom Gross Receipts. For FY 2024-25, year-to-date collections for General Revenue are underestimate by \$0.3 million. To recognize year-to-date performance, the total collections forecast for Cardroom Gross Receipts has been reduced by \$0.7 million from the previous estimate. This reduction is equally split between the Pari-Mutuel Wagering Trust Fund and the General Revenue Fund.

The other revenue sources affecting the Pari-Mutuel Wagering Trust Fund were also adjusted to recognize year-to-date performance. Table Fees had a \$0.1 million reduction in each year of the forecast, and Other Pari-Mutuel Tax had a one-time reduction of \$0.1 million in FY 2024-25. Beginning FY 2025-26, an expected increase in the HISA Tax Credit will lower both Daily License Fees and Other Pari-Mutuel Tax throughout the remainder of the forecast.

Relative to the prior forecast, total Pari-Mutuel revenues are reduced to \$25.5 million in FY 2024-25, \$24.9 million in FY 2025-26, \$25.3 million in FY 2026-27, \$26.0 million in FY 2027-28, \$26.3 million in FY 2028-29, and \$26.7 million in FY 2029-30.

The table below accounts for all revenues (other than slots) associated with activities at licensed pari-mutuel facilities.
