Summary of Challenges to 2025 Preliminary Estimates

Challenge Summary	2025	
Incorporated Areas	Number	Pct of Total
Agreed	203	49%
Did not respond	189	46%
Challenged	19	5%
Revised Estimate	7	2%
No Revision	12	3%
Total	411	100%
Unincorporated Areas	Number	Pct of Total
Agreed	32	48%
Did not respond	31	47%
Challenged	3	5%
Revised Estimate	1	2%
No Revision	2	3%
Total	66	100%
Total Areas	Number	Pct of Total
Agreed	235	49%
Did not respond	220	46%
Challenged	22	5%
Revised Estimate	8	2%
No Revision	14	3%
Total	477	100%

Challenges to 2025 Preliminary Estimates

CNTY PLACE FIPS	COUNTY	PLACE	NO CHANGE	REVISED	2020 CENSUS COUNT	ORIGINAL EST 2025	ORIGINAL 2020-2025 CHANGE	REQUESTED 2020-2025 CHANGE	FINAL 2020-2025 CHANGE	DIFFERENCE FROM ORIGINAL ESTIMATE	JUSTIFICATION	EST 2025	Inmates 2025	EST 2025 Less Inmates
1599990	Charlotte County	Unincorporated		1	167,376	194,424	27,048	37,602	35,608	8,560	Challenged with geocoded CO's & demolitions. They used census block group-level occupancy and PPH, though they inflated the PPH significantly in some places. I used Census 2020 metrics and calculated revised population. Net increase in HU's slightly higher than ECs, but population increase mainly due to high growth in higher PPH portions of the county (Babcock Ranch).	202,984	1,285	201,699
8305375	Marion County	Bellevue		1	5,413	5,984	571	708	708	137	Challenged with CO's & demolitions. Duke may still be missing their recent annexations. Revised estimate is significantly lower than BP method estimate.	6,121	6	6,115
9578050	Orange County	Windermere		1	3,030	3,072	42	156	156	114	Annexation was unreported to Duke Power, so customer total was too low	3,186	0	3,186
10502550	Polk County	Auburndale		1	15,616	20,798	5,182	6,061	6,061	879	Challenged with lots of annexed HUs, CO's & demolitions. Duke is definitely missing their recent annexations. Revised estimate is lower than BP method estimate.	21,677	0	21,677
10528400	Polk County	Haines City		1	26,669	43,061	16,392	17,546	17,546	1,154	Challenged with CO's & demolitions. Duke may still be missing their recent annexations. They used the correct occupancy and household size, so the change made was the same as the request. Revised estimate is lower than BP method estimate.	44,215	0	44,215
10537975	Polk County	Lake Hamilton		1	1,537	2,220	683	2,463	1,602	919	Multiple annexations were unreported to Duke Power, so customer total was too low. Challenged with CO's & demolitions.	3,139	0	3,139
10962525	St. Johns County	St. Augustine Beach		1	6,803	6,987	184	206	192	8	Challenged with CO's & demolitions. They used the correct household size but assumed 100% occupancy. Revised calculation resulted in 8 more residents than original estimate.	6,995	0	6,995
11573900	Sarasota County	Venice		1	25,463	29,255	3,792	4,969	4,339	547	Challenged with CO & demos, but used the wrong OCC and PPH. Revised estimate considerably lower than BP method estimate.	29,802	0	29,802
326075	Baker County	Glen St. Mary	1		463	491	28	48	28	0	Received challenged 25 days late requesting 20 additional residents without any data or justification of any kind.	491	0	491
1114125	Broward County	Cooper City	1		34,401	35,011	610	35,006	610	0	Challenged 20 days late wanting to remove 5 inmates due to a facility closure, but he was not talking about the same facility that we are reporting	35,011	5	35,006
1149425	Broward County	North Lauderdale	1		44,794	44,888	94	459	94	0	Challenged 14 days late. Notified of challenge on 9/19, date my responses to challenges were due, and data supporting the challenge is still in the mail.	44,888	0	44,888
2143083	Collier County	Marco Island	1		15,760	16,194	434	2,604	434	0	Challenged with CO's for calendar years 2020-2025. After they filtered on the appropriate dates and included demos, I applied the correct occupancy rate and PPH, the estimate was 7 persons lower than the original EC-based estimate.	16,194	0	16,194
4399990	Glades County	Unincorporated	1		10,560	11,414	854	3,372	854	0	They confused the total county population with the population for the unincorporated area. Provided CO's, but some were in Moore Haven and did not address this or provide demolitions. (Still did not receive it by 9/19, deadline to resolve all challenges.) Finally sent data on 9/22, but the CO/demo-based estimate was lower than the EC one.	11,414	980	10,434
6366725	Jackson County	Sneads	1		1,699	1,658	-41	159	-41	0	Challenge made 11 days late with no data or justification - just a number that was 200 higher than the estimate.	1,658	0	1,658
7578925	Levy County	Yankeetown	1		588	528	-60	0	-60	0	Challenged 5 days late using 2020 census count (60 persons higher) and no data or justification.	528	0	528
9143375	Okaloosa County	Mary Esther	1		3,982	4,457	475	518	475	0	Challenged with water meter data for the last few years showing slight increases. After explaining the data and methods to him and requesting Cos & demos, he said he didn't have time to get that data and agreed with the estimate.	4,457	0	4,457
9165425	Okaloosa County	Shalimar	1		737	733	-4	11	-4	0	Challenged requesting increase of 11 residents from 3 new homes, one of which hasn't been completed yet. He didn't provide any losses, and he said he would research EC data with Gulf Power for next year. He agreed to this year's estimate.	733	0	733
9505300	Orange County	Belle Isle	1		7,032	7,214	182	261	182	0	Challenged with last year's estimate, which was higher. After explaining how this year's population was estimated, they agreed.	7,214	0	7,214
9519650	Orange County	Eatonville	1		2,349	3,328	979	1,614	979	0	Challenged with a prior projection for 2025. Decided to withdraw challenge after my explanation of the estimation process.	3,328	0	3,328
10199990	Pasco County	Unincorporated	1		513,983	594,694	80,711	130,414	80,711	0	Did not provide supporting data in time. (Still did not receive it by 9/19, deadline to resolve all challenges.)	594,694	652	594,042
10524900	Polk County	Frostproof	1		2,877	2,993	116	523	116	0	Challenged with CO's & demolitions, but the resulting estimate was lower than the EC-based estimate.	2,993	0	2,993
12751825	Volusia County	Orange City	1		12,632	14,882	2,250	2,388	2,250	0	Received challenged 27 days late requesting an unspecified increase based on last year's CO's but no demos.	14,882	0	14,882
TOTALS			14	8	903,764	1,044,286	140,522	247,088	152,840	12,318		1,056,604	2,928	1,053,676

Original state estimate: **23,366,943**
Revised state estimate: **23,379,261**
Increase over original Population Estimate: **0.05%**

Notes:

All Companies (March):

The March total has been adjusted downward by 0.373% each year prior to 2020 to make the series comparable to the new Duke data used for the estimates. The totals for 2020 and 2021 are based on the new Duke data and are about 36,000–37,000 lower than the EC reports for those years.

Florida Power & Light:

Data for FP&L raised by 1% prior to July 2013, reduced gradually through December 2013. Includes City of Vero Beach adjustment, which transferred to FP&L in December 2018 to January 2019.

Duke:

Includes Hardee County adjustment (transfer from Duke to Peace River Electric Coop) through July 2019. Duke changed their billing system in November 2021. Data for earlier months were inflated due to inclusion of some non-housing units. We lowered the data prior to November 2021 by 13,680 each month to make the series comparable with the new and improved billing system. Also included are updated monthly customer counts since November 2021.

Tampa Electric:

Adjusted data for TECO for January 2017 through April 2018.

Florida Driver's Licenses Issued (Proxy for Domestic and International In-Migration)
