ADVISORY OPINION TO THE ATTORNEY GENERAL RE: RAISING FLORIDA'S MINIMUM WAGE

The Court treats the Notice of Supplemental Authority filed by the Attorney General on July 10, 2019, in part as a motion to authorize the Financial Impact Estimating Conference (FIEC) to submit an amended financial impact statement to the Attorney General and the Secretary of State in light of chapter 2019-64, Laws of Florida, and to allow the Attorney General to file that amended statement with this Court for review in *Advisory Opinion to the Attorney General Re: Raising Florida's Minimum Wage*, No. SC19-548. That motion is granted. The FIEC is hereby authorized to prepare an amended financial impact statement for the initiative petition entitled *Raising Florida's Minimum Wage*, Serial Number 18-01, and the Attorney General shall have up to and including thirty days from the date of this order to file the amended financial impact statement if the FIEC submits one. If this Court does not receive an amended financial statement by that time, it will proceed with review of the Attorney General's petitions without it.
