FOOTNOTES

(A) The FY 2008-09 beginning balance in the Budget Stabilization Fund is \$1353.7 million. These figures do not include hurricane-related budget amendments transferring funds to the Casualty Insurance Risk Management TF which must be repaid (EOG #483 for FY 2004-05 of \$11.0 million and EOG #205 for FY 2005-06 of \$11.8 million). At the time of this statement \$7.5 million remains to be repaid. Per Section 77 of the 2008 General Appropriations Act, \$672.4 million was transferred to the General Revenue Fund in September. An additional \$400 million was transferred in February pursuant to Section 51 of SB2A.

(B) Section 52 of Senate Bill 2A transfers \$700 million from the Lawton Chiles Endowment Fund to the General Revenue Fund on June 15, 2009. This transfer shall be reduced by any federal economic stimulus funds that may accrue to the General Revenue Fund, subject to federal requirements, to the extent the federal funds reduce the need for the transfer.

(C) This financial statement is based on current law as it is currently administered. It does not include the potential effect of any legal actions which might affect revenues or appropriations. The Attorney General periodically issues an update on any such litigation. In addition, it does not recognize any deficits in any spending programs unless specifically stated.

(D) Potential future revenues of \$77.1 million in FY 2008-09, \$150 million in FY 2009-10, and \$129.2 million in FY 2010-11, including recurring revenues of \$100 million, and revenue of \$60.4 million already received in FY 2007-08 pursuant to the Seminole Tribe gaming compact are not included in this outlook statement pending legislative approval of the compact in accordance with the opinion of the Florida Supreme Court in case no. SC07-2154.
