FOOTNOTES

- (A) The cash balance in the Budget Stabilization Fund (not shown here) at the time of this Outlook is \$4,140.3 million, and includes the FY 2023-24 \$1,000.0 million General Revenue transfer and the \$1,056.1 million in transfers from FY 2021-22 through FY 2023-24 from the Lawton Chiles Endowment Fund. Based on the cash balance in the fund and the January 16, 2024 forecast, transfers for FY 2024-25 through FY 2028-29 will not be required.
- (B) This financial statement is based on current law as it is currently administered. It does not include the potential effect of any legal actions that might affect revenues or appropriations. The Attorney General periodically issues an update on any such litigation. In addition, it does not recognize any projected deficits or surpluses in any spending programs unless specifically stated.
- (C) Payments are associated with the settlement reached in In re: Oil Spill by the Oil Rig "Deepwater Horizon" in the Gulf of Mexico, MDL No. 2179 (April 20, 2010). The payments are in consideration of the full and complete settlement and release of claims by the state for various damages. It provides a total payment to the State of Florida of \$2.0 billion over the period FY 2016-17 through FY 2032-33. The first payment of \$400 million was received on July 1, 2016. Annual payments of \$106.7 million began in FY 2018-19. Pursuant to Chapter 2017-63, L.O.F., 75 percent of all payments to the state must be transferred immediately from the General Revenue Fund to the Triumph Gulf Coast Trust Fund for subsequent transfer to a trust account held by Triumph Gulf Coast, Inc. The revenue numbers shown here are net of this transfer.
- (D) The American Rescue Plan (ARP) Act of 2021 (Public Law 117-2; enacted 3/11/2021) continues the federal government support to state and local governments, individuals, businesses, and specific industries dealing with the COVID-19 pandemic and its associated economic consequences. The Act includes, among other items, the Coronavirus State Fiscal Recovery Fund to cover increased expenditures, replenish lost revenue and mitigate economic harm; the Homeowner Assistance Fund to mitigate mortgage delinquencies, defaults, foreclosures, loss of utilities or home energy services; Emergency Rental Assistance to provide relief in the same manner as provided in the Emergency Rental Assistance program established in the Consolidated Appropriations Act of 2021; the Capital Projects Fund to support work, education and health monitoring, and the State Small Business Credit Initiative to inject capital into state small business support and capital access programs, provide collateral support, facilitate loan participation, and enable credit guarantee programs. To date, Florida has received all of the distributions for the State Fiscal Recovery Fund (\$8,816.6 million), Local Fiscal Recovery Fund (\$1,416.4 million), and the Homeowners Assistance Fund (\$676.1 million), and a partial distribution for Emergency Rental Assistance (\$296.2 million).
- (E) In Section 152 of the Fiscal Year 2021-22 General Appropriations Act (GAA), the Legislature authorized up to \$6,696.5 million in nonrecurring appropriations for the 2020-21 fiscal year contingent upon the Department of Financial Services receiving and depositing into the General Revenue Fund any amount from the state's allocation from the federal Coronavirus State Fiscal Recovery Fund. The Governor vetoed \$1.35 billion, reducing the total to \$5,346.5 million. The state received \$4,408.3 million on May 19, 2021. Any unexpended balances of funds remaining at June 30, 2021 were reverted and reappropriated for the same purposes in the 2021-22 fiscal year. Amendments to the Fiscal Year 2021-22 budget began July 28, 2021. In Sections 195 and 196 of the Fiscal Year 2022-23 GAA, the Legislature specified that any unexpended balances remaining at June 30, 2022, are reverted and reappropriated for the same purposes in the 2022-23 fiscal year. In Section 233 of the Fiscal Year 2023-24 GAA, the Legislature reverted and reappropriated \$64.0 million from Section 195 and \$25.0 million from Section 196 (Fiscal Year 2021-22 GAA) for new projects in Fiscal Year 2022-23. In addition, the Legislature specified that any unexpended balances remaining at June 30, 2023 are reverted and reappropriated for the same purposes in Fiscal Year 2023-24. In Section 271 of the Fiscal Year 2024-25 GAA, the Legislature reverted \$253.0 million from Section 233 (Fiscal Year 2023-24 GAA) and reappropriated \$139.6 million in Section 272 for new projects. The Governor vetoed \$204.1 million of the reversions, which restored the original appropriations. The Legislature specified that any unexpended balances remaining at June 30, 2024 are reverted and reappropriated for the same purposes in Fiscal Year 2024-25. In Section 273, the Legislature authorized the transfer of \$498.3 million from American Rescue Plan (ARP) appropriations in Section 233 (Fiscal Year 2023-24 GAA) to non-ARP appropriations for the same purpose. In Section 274, the Legislature authorized the transfer of \$511.7 million from non-ARP appropriations to ARP appropriations for the same purpose. The Governor vetoed \$200.0 million of the transfers, which restored the original appropriations. In addition, the Legislature appropriated \$100 million in Chapter 2024-188, L.O.F., from ARP funds for the Hometown Hero Housing Program in Fiscal Year 2024-25.

FINANCIAL OUTLOOK STATEMENT**

Post Session, Including Results of 2024 Regular Session, and Other Adjustments as of March 7, 2024
FY 2023-24 through FY 2028-29
(\$ MILLIONS)

DATE: July 2, 2024

	<u>RECURRING</u>	<u>NON- RECURRING</u>	<u>TOTAL</u>
(F) In Section 197 of the Fiscal Year 2022-23 General Appropriations Act (GAA), the Legislature authorized up to \$3,470.1 million in nonrecurring appropriations for the 2021-22 fiscal year contingent upon the Department of Financial Services receiving and depositing into the General Revenue Fund the second distribution of the state's allocation from the federal Coronavirus State Fiscal Recovery Fund. The Governor vetoed \$37.1 million, reducing the total to \$3,433.0 million. Any unexpended balances of funds remaining at June 30, 2022, are reverted and reappropriated for the same purposes in the 2022-23 fiscal year. In Section 233 of the Fiscal Year 2023-24 GAA, the Legislature appropriated \$37.1 million from the vetoed projects, and reverted and reappropriated \$226.4 million from Section 197 (Fiscal Year 2021-22 GAA) for new projects in Section 234 in Fiscal Year 2022-23. In addition, the Legislature specified that any unexpended balances remaining at June 30, 2023 are reverted and reappropriated for the same purposes in Fiscal Year 2023-24. In Section 273, the Legislature authorized the transfer of \$70 million from an American Rescue Plan (ARP) appropriation from Section 234 (Fiscal Year 2023-24 GAA) to a non-ARP appropriation for the same purpose.			
(G) Legislation passed during Special Session 2022D (Ch. 2022-268, L.O.F.) authorizes transfers of up to \$2 billion from the General Revenue Fund to the State Board of Administration (SBA) to cover the state's financial obligations resulting from the Reinsurance to Assist Policyholders (RAP) Program, and up to \$5 million for the administration of the program and post-event examinations for covered events that require RAP coverage. The actual transfers, if any, are contingent on individual insurers' hurricane-related losses exceeding levels specified in the legislation. If no funds have been transferred to the SBA to reimburse RAP Program insurers for losses associated with the covered event by June 30, 2025, the appropriation expires on July 1, 2025; otherwise the appropriation expires on July 1, 2029. All unencumbered funds return to the General Revenue Fund unallocated.			
(H) Legislation passed during Special Session 2022A (Ch. 2022-271, L.O.F.) authorizes transfers of up to \$1 billion from the General Revenue Fund to the State Board of Administration (SBA) to cover the state's financial obligations resulting from the Florida Optional Reinsurance Assistance (FORA) Program, and up to \$6 million for the administration of the program and post-event examinations for covered events that require FORA coverage. The actual transfers, if any, are contingent on individual insurers' hurricane-related losses exceeding levels specified in the legislation. If no funds have been transferred to the SBA to reimburse FORA Program insurers for losses associated with the covered event by June 30, 2026, the appropriation expires on July 1, 2026; otherwise the appropriation expires on July 1, 2030. All unencumbered funds return to the General Revenue Fund unallocated.			
(I) The \$4.0 billion transfer to the State Transportation Trust Fund is contingent on Legislative Budget Commission approval of a budget amendment pursuant to the provisions of chapter 216, Florida Statutes, that includes a project list, implementation schedule, finance plan, and budget authority necessary to implement the initiative. The \$370 million is placed in reserve; the department may request the release of funds by submitting a budget amendment pursuant to the provisions of Chapter 216, Florida Statutes, which updates the project list, implementation schedule, and finance plan.			
(J) Three percent of the amount paid by the Seminole Tribe to the state under the Indian Gaming Compact is designated as the local government share. Based on the Indian Gaming Revenues February 20, 2024 forecast, the estimated distributions are \$15.4 million in Fiscal Year 2024-25; \$23.3 million in Fiscal Year 2025-26; \$23.5 million in Fiscal Year 2026-27; \$24.8 million in Fiscal Year 2027-28; and \$25.8 million in Fiscal Year 2028-29.			
(K) Chapter 2024-58, Laws of Florida, creates section 380.095, Florida Statutes, requiring the Department of Revenue to, upon receipt, deposit 96 percent of any revenue share payment received under the 2021 Compact into the Indian Gaming Revenue Clearing Trust Fund within the Department of Financial Services (created in SB 7080) to provide dedicated funding for conservation lands, resiliency, and clean water infrastructure. The legislation is effective upon becoming law. The Governor approved the bill on April 4, 2024; the April and subsequent revenue sharing payments received from the Tribe reflect the revised distribution.			
(L) Chapter 2024-228, Laws of Florida, implements the toll relief program, effective April 1, 2024 through March 31, 2025. Any unexpended balance of funds as of May 30, 2025, immediately reverts to the General Revenue Fund.
