(A) This financial statement is based on current law as it is currently administered. Ongoing litigation could have an effect on these estimates. The Attorney General periodically issues an update on any such litigation.

(B) The revenue estimate has been adjusted for the impact of the Supreme Court ruling on the unconstitutionality of the \$295 motor vehicle impact fee. The state is liable for refunds in the amount of \$188.1 million. In addition, \$50.8 million in FY 1994-95 and \$66.9 million in FY 1995-96 of revenues previously expected to be collected have been eliminated from the revenue estimate.
