According to Grease definitions, a household industed all of the people who occupy a housing unit. The occupants may be a single family, one person living alone, two or more families living together, or any other group of related or unrelated people who share living quanters. A family includes a householder and one or more other people living in the same household who are related to the householder by birth, marriage, or adoption.

Who are related to the householder by birth, marriage, or adoption.
